

ChiefTV Network + - Kickapoo High School Media

www.khschieftv.com - www.kickapoochiefs.org

Choose Kickapoo ChiefTV for your Video Advertising Needs Today! Help us learn & we'll help your business!

1 - What ChiefTV Broadcast Journalism Wants:

We want to write, shoot and produce your Professional-Grade, broadcast-ready commercial for television and Internet!

We will arrange a time for filming needs with you as soon as possible for both parties.

After developing a 30-60 second script advertising your business and a kid-friendly language targeted toward a teenage demographic, Kickapoo ChiefTV students will edit and produce a 30 second professional quality advertisement suitable for broadcast COMPLETELY FREE OF REQUIRED PAYMENT.

Wanna help us out? Here's what you and your business get:

-1 professional-quality DVD of the video promo delivered to you upon completion - Thanks for letting us learn!
We know you'll love the commercial and you'll be impressed this complex work came from high school students.
How about helping us continue to grow by airing this or any other promotion to all of Kickapoo High School?

2 – Get your commercial watched by all of Southwest Springfield and KHS Our Non-Profit School Organization needs your help!

Donate to our ChiefTV equipment fundraising cause and:

-We will broadcast your 30-second advertisement during our daily video television and Internet video channel, every day!

*Our channel is watchable at KHS, on YouTube, and our website www.khschieftv.com.

Who Will See It?

**Watch our live channel, even on your smartphone or tablet – check it out

now!

This weekly broadcast is seen by over 1800 captive “in classroom” students and staff at Kickapoo High School each day, in addition to 200-300 web visitors every day.

-**Want the commercial on Your Website?** We will post your commercial to YouTube for embedding and online video streaming, if you wish. Most businesses we've worked with (over 200 in SW MO+) have loved our online video embedding for their own site and have noticed increased profits and community connections!

-**You can also receive full national broadcasting rights** to the commercial for any donation (suggested \$200+) to ChiefTV. Our student-produced commercials have been aired repeatedly on national and international airwaves – they are THAT GOOD.

-We are a non-profit organization and will gladly provide tax-deductible receipt and/or letterhead documentation.

Please directly help struggling Springfield students INSTEAD of the Taxman!

Plenty of friendly ChiefTV business partners have donated, often yearly. Thanks for all of the community support!

You won't find a better deal than this!

Most professional commercial projects cost over \$10,000 to produce and they don't tailor your commercial to your exact needs.

Our ChiefTV students will produce a professional quality ad for you and your business and broadcast it to our audience for any donation you deem fit. We need financial help in any way! If your business donates to ChiefTV, our student producers earn 100% on the graded assignment, as “paid work” is our ultimate media life-lesson, compliment, and career goal! Please help us!

-----Interested? Return this section to Mr. Loudis, ChiefTV-----

3 - “Well, we're in. This sounds cool!” Here are the Next Steps:

After deciding production time and needs, we will begin work. Average time of project work is 2 weeks.

Contact Mr. Kyle Loudis, ChiefTV Director, at kloudis@spsmail.org for questions or Call 417-523-8741.

CHECK OUT www.khschieftv.com for more information. THANK YOU!
